POWER STEERING

Power Steering Field Installation Return Program

The following Manual Steering Gear Chucks removed from New Unlicensed Vehicles in inventory may be returned for credit provided the return shipment is made by the 15th of the month following the month in which installation of the replacing power steering package was made. Credit will be issued in the amount indicated, subject to inspection.

	<u>Credit To be Issued</u>
<u>1975 Valiant, Dart, Barracuda, Challenger, Satellite & Coronet</u>	
3643 016 All	13.84
<u>1975 Dodge Truck B100-200-300</u>	
2267 550	12.95

The above Chucks must be returned transportation prepaid to: Chrysler Corporation New Castle Machine Plant, 1817 "I" Avenue, New Castle, Indiana; 47362, attention "Production Control Department."

A properly executed "Material Return Authorization (MRA)" Form must accompany each return. Prior authorization to return the manual steering gear chuck is not required. Indicate in the "reason for submitting" column that the "manual steering gear chuck, Part No. (one of the above) was replaced with a CHRYSLER PARTS Power Steering Chuck & Coupling Package Part No. _____ on unlicensed vehicle serial no. _____."

Manual Steering Gear Chucks other than these listed above will not be considered for credit and will be returned transportation collect.

The above supersedes all previously published information regarding Manual Steering Gear Chuck Returns.
